

A block of rooms has been set aside at the Fairfield by Marriott Inn and Suites, 114 2<sup>nd</sup> Street West, in Northfield, Minnesota, at a special rate of \$169 per night. One of the conditions for the hotel giving the Hallinglag a special rate for its stevne reservations is that individuals must make their hotel reservations through the special Hallinglag website link they provided – *please do not call or go through the regular website*. To make reservations, scan the following QR code with your phone or enter the URL address shown below (<https://tinyurl.com/yvpm5jx5>) into your web browser. Either option will allow you to easily book a room online.

If you have any difficulties with this, please contact Membership Chair, Jayne Piepenburg, or Treasurer, Corinne Engstrand, for assistance. Their contact information can be found on the inside cover of this issue.
